1. Mr. Clarke, Director of Planning, Programming and Budgeting has assured me that you should proceed with Mr. Richardson's proposal that [redacted] develop a planning, programming and budgeting training course. Mr. Clarke advised that he will either make sure the Support Directorate allocation of funds for FY 67 provides the \$40, 000 required for the Office of Training proposal or he will ask Colonel White to provide the money from funds allocated to the Office of the Executive Director-Comptroller.

2. Mr. Clarke indicated that the choosing of alternative methods of accomplishing our objectives has saved the Agency millions of dollars and that if a course such as the one proposed will train people to think in terms of such alternatives it will certainly be well worth the \$40, 000.
